## Strategy

### USP - Unique selling proposition

It's what would make a customer choose your services or products over the competitors' services or products. What are your specialties you want to be emphasized?  
(latest equipment, holistic dental care, etc.)

### Target Audience

What are your target market's demographics & psychographics?  
If you have multiple audiences, rank them in terms of importance.  
(ie. the age, gender, income, tastes, views, attitudes, employment, geography, lifestyle of those you want to reach.)

Homepage title  
(Limit length to 65 characters)

### Homepage description

(Exactly summarize the page's content and try to add a description that should attract user to visit your website if they saw your description on search engine lists. Use maximum 150-160 characters)

### Site Keywords

Use maximum 15 comma separated Keywords and keyword phrases that you've targeted.

## Look and Feel

If you have specific ideas on how you would like the content to appear on your home and interior pages, please feel free to attach hand-drawn or computer-generated wire-frames for your layout designer to consult when creating the mock-ups.

## Corporate Identity

### Colours

Do you have any ideas of the colours or colour schemes to be used, and colours you don't like?  
(please provide colour codes if possible)

### Fonts

Are there any preferred fonts you want to be used?

### Style

What general type of look and feel are you looking for in your new website?  
(e.g. clean, modern, friendly, corporate, light color, dark colour, unique, dirty)?

## Navigation

Do you have layout requirements or preferences for the main navigation?  
(No preference/Horizontal/Vertical left/Vertical right)

## Banner

What type of imagery you feel would be suitable for your website banner?  
(e.g. beautiful women smiling, happy young family, different ethnic people, office interiors etc...)

## Pages and Pagestructure

Please list all the pages you want to have on your Homepage and give us an idea about their order (Sitemap)
